Trustee Introduction and Application Pack

The following information is aimed at providing anyone who is considering becoming a Trustee of NORCA with the information they need to support that decision.

The Trustees of NORCA shape our vision to change people's lives through arts participation and engagement, and support the charity's growth and development. The Board is responsible for the overall governance and strategic direction of the charity, developing the organisations aims, objectives, and goals in accordance with the governing document, legal and regulatory guidelines.

Please note that Trustee roles are unpaid positions.

Recruitment and appointment process

The recruitment and appointment of new Trustees would normally proceed as follows, though not all steps are needed every time:

1. Supplying basic information on the charity and the role of trustee (this pack, annual reports, job description, etc.)
2. Introductory meetings / discussions with the Executive Director and existing Trustees
3. Attending an event or some provision to see what NORCA does and meet some of the staff
4. Follow up meeting to discuss any questions, as necessary
5. Formal application to be considered for the position of Trustee. This usually takes the form of a letter of interest and an accompanying CV.
6. Attending a Trustees meeting as an observer
7. Additional follow-up meetings, observation of work or additional observation of Trustee meetings, as needed or wanted to support the decision to become a Trustee.
8. Formal consideration of the application by the trustees, which may include a formal or informal interview as part of the process. This might particularly apply where there are more people applying than places on the board.

Introduction to NORCA

NORCA is a community arts charity that was founded in August 2001, with a focus on arts participation and engagement. The organisation specialises in music, carnival and outdoor arts, but has a wider remit of engaging in any arts practice through which it can realise the goal of social impact. It also has a track record of supporting other organisations or groups to form and develop.

The charity recently changed its name to Norfolk Community Arts (NORCA) returning to being an overarching charity that runs a range of work, with Sistema in Norwich being one of its main programmes (rebranded as Sistema Norwich).

Our Vision, Mission and Values

We are dedicated to improving lives and communities through arts and culture.

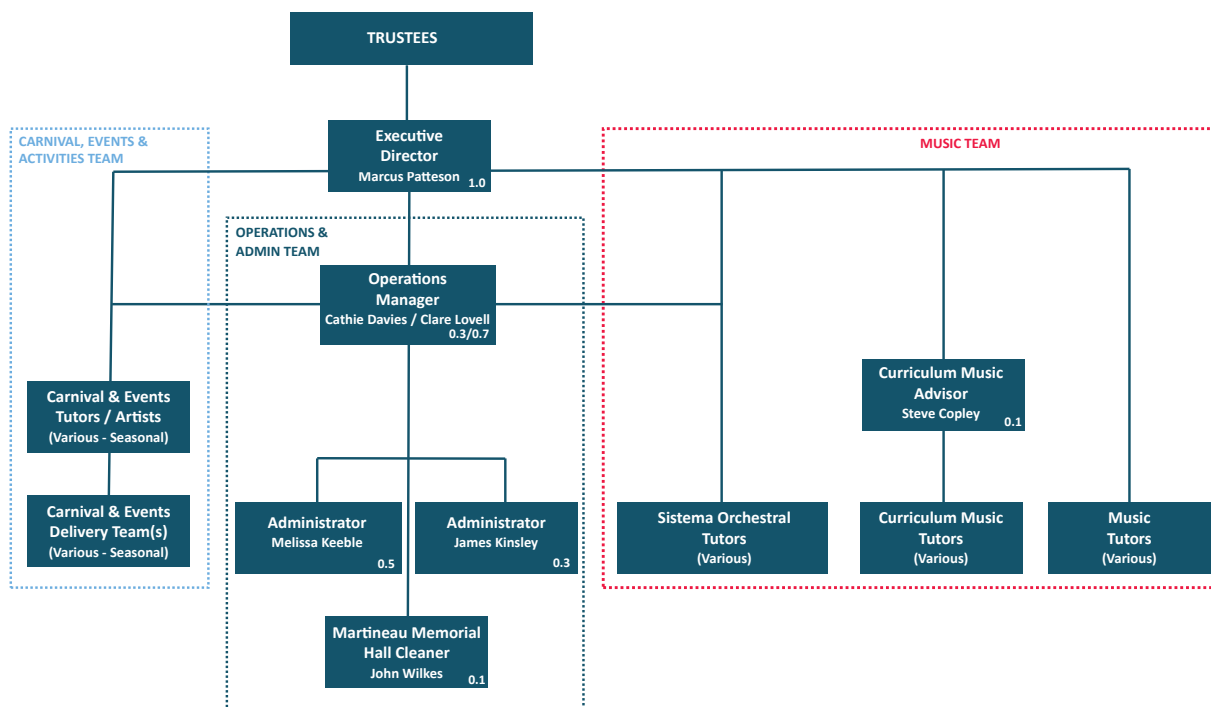

To create ... a world where arts and culture are an active part of everyone's life, and the people and communities we work with can live creative, healthy lives, and fulfill their potential, regardless of background.

Our values are ... inclusion, excellence, cooperation and nurture.

Organisational Structure

The following diagram shows the current organisational structure:

NORCA ORGANISATIONAL STRUCTURE
(March 2023)

Governance

NORCA is a robust, well-governed organisation.

- There are currently five, active Trustees with a range of skills and experience
- A number of trustees stepping down in 2023 because either they have reached the end of their tenure, or their circumstances have changed. Hence the need to recruit new trustees.
- Trustees review governance on a bi-annual basis.
- The charity has a comprehensive set of policies and procedures, that are updated annually.
- We have robust systems for financial management and control, including two signatories on all expenditure, quarterly finance sub-group meetings, and annual review of systems against Charity Commission’s checklist on Internal Financial Controls for Charities (CC8).

Terms of Reference for being a Trustee

Our Expectations of Trustees include

- *Being passionate about our vision and upholding our values*
We expect trustees to care passionately about what we do and why we do it, and to support and believe in our four core values; inclusion, excellence, cooperation and nurture.
- *Actively participating in meetings & training*
We hold 4 board meetings each year, usually every 3 or 4 months, for two hours from 7pm. These meeting usually take place at Martineau Memorial Hall, but since the pandemic and holding meetings on Zoom, we have added the facility

for meetings to be hybrid, with some people taking part remotely. This enables us to engage trustees based anywhere in the UK.

Sub-group meetings, if called, take place between full Trustee meetings. Sub-groups include Finance, Fundraising, Sistema Steering group (currently not meeting) and Memorial Hall.

We also coordinate training to develop trustee skills and once a year hold an away day for the trustee and senior management team to plan the year ahead.

We ask trustees to read and prepare for meetings and to come prepared to challenge, and to join training where feasible.

- *Taking an active interest in our work*
We ask trustees to come and see the work and to meet and talk to our delivery staff, our participants and their families.
- *Representing NORCA*
Under normal circumstances we run lots of concerts and events during the year. We expect Trustees to attend some of these, especially where a Trustee presence will support the charity, e.g. with funders or donors. We may ask trustees to represent the organisation at events or in meetings, if members of the core staff team are unavailable or a trustee is a more appropriate spokesperson.
- *Being curious and creative about possible opportunities and new ways of working*
We welcome trustees who want to bring their ideas about how we can improve our work or impact, whether it is new areas of work, particular approaches or techniques.
- All Trustees are also Directors of the company, and as such their liability is limited to £1 so long as they carry out due diligence

1. Background

Salary: This is an unpaid position, though trustees can claim reasonable expenses, e.g. for travel to meetings, etc.

Hours: Four meetings a year, one of which is the AGM, along with any sub-group meetings or sessions arranged to cover specific issues, e.g. business planning

Location: Martineau Memorial Hall, 21 Colegate, Norwich NR3 1BN

NORCA & Sistema in Norwich is dedicated to improving lives and communities through arts and culture. Our vision is to create a world where arts and culture are part of everyone's lives, and the people and communities we work with can live creative, healthy lives and fulfil their potential, regardless of background. We achieve this by using music and the creative arts to build resilience with deprived and vulnerable communities. In a normal year we work directly with over 2,000 people and reach over 40,000 through our activities.

2. Who are the charity's trustees

The Charities Act 1993 defines charity trustees as those responsible under the charity's governing document for controlling the administration and management of the charity. This is the case regardless of the terminology used to describe the role. For NORCA & Sistema in Norwich the charity trustees are the board of directors, known as the trustee board. The trustee board comprises:

- the chair
- the treasurer
- up to five more trustees

3. The role of the board of trustees

At its simplest, the role of the trustee board is to receive assets from donors, safeguard them and apply them to the charitable purposes of NORCA & Sistema in Norwich. The trustee board must always act in the best interests of NORCA & Sistema in Norwich, exercising the same standard of duty of care that a prudent person would apply if looking after the affairs of someone for whom they have responsibility. The trustee board must act as a group and not as individuals.

4. Duties of a trustee board member

The duties of a trustee board member are to:

- To ensure that the organisation complies with its governing document, charity law, company law and any other relevant legislation or regulations
- To ensure that the organisation pursues its objects as defined in its governing document
- To ensure the organisation uses its resources exclusively in pursuance of its objects: the charity must not spend money on activities which are not included in its own objects, no matter how worthwhile or charitable those activities are
- To contribute actively to the board of trustees' role in giving firm strategic direction to the organisation, setting overall policy, defining goals and setting targets and evaluating performance against agreed targets

- To safeguard the good name and values of the organisation.
- To ensure the effective and efficient administration of the organisation
- To ensure the financial stability of the organisation
- To protect and manage the property of the charity and to ensure the proper investment of the charity's funds (as appropriate)

In addition to the above statutory duties, each trustee should use any specific skills, knowledge or experience they have to help the board of trustees reach sound decisions. This may involve:

- Scrutinising board papers
- Leading discussions
- Identifying and focusing on key issues
- Providing advice and guidance on new initiatives
- Other issues in which the trustee has special expertise
- Participating in working groups outside of Board meetings
- Arbitrating on certain matters, e.g. final arbitration on staff grievance or disciplinary matters

5. Tenure

There is a 3-year tenure for trustees. This is intended to frame the commitment to the charity, rather than having an open-ended engagement, offering a clear period of time that the trustee is committing to, but with the idea that any trustee wanting (or happy to) continue, can apply to extend their tenure for an additional period, or periods, of time (under review).

6. Minimum time commitment

Trustees are expected to attend any sessions or meetings under the induction process, prior to their first board meeting. Trustees are expected to attend all board meetings and the annual away day. Board meetings are held four times a year during normal office hours. One meeting each year is allotted to be the AGM. Meetings last approximately two hours and are usually at NORCA & Sistema in Norwich's offices in Norwich or via Zoom.

- Papers are distributed two weeks in advance of meetings.
- Trustees may be asked to join one of three sub-groups, each of which meets twice per year. Depending on trustee capacity, the needs of the organisation and these areas of work, sub-group regularly may be increased or suspended (as of Sep 2021, only the Finance sub-group is meeting).
- The annual strategic and business planning away day takes place with members of the SMT and any other staff, volunteers or consultants the board want to invite. It takes place once per year and is an opportunity to review and renew the strategic aims and objectives of the charity, ensure the business plan meets the needs of the organisation.
- From time to time, additional 'bitesized' sessions may be organised to address particular areas of interest, concern or operation. These are usually held on Zoom and are a maximum of an hour long.
- Trustees can claim out of pocket expenses incurred in travelling to meetings.

7. Person specification

Each trustee must have:

- a commitment to the mission of NORCA & Sistema in Norwich

- a willingness to meet the minimum time requirement
- integrity
- strategic vision
- good, independent judgement
- an ability to think creatively
- a willingness to speak their mind
- an understanding and acceptance of the legal duties, responsibilities and liabilities of trusteeship
- an ability to work effectively as a member of a team and to take decisions for the good of NORCA & Sistema in Norwich.
- Nolan's seven principles of public life: selflessness, integrity, objectivity, accountability, openness, honesty and leadership.

The board of trustees collectively needs skills and experience in the following areas:

- financial management, income generation and enterprise
- public policy and public affairs
- national and local voluntary sector
- national and local government and statutory bodies
- digital strategy
- trading subsidiaries and social enterprise
- human resource management
